Maintenance update

All water leaks that were on the list has now been completed. The leak on Hickman drive became a couple day project as there were multiple issues however they have all been addressed now. Both maintenance workers worked very hard to address the issues as quickly as possible to lessen the time the water would need to be shut down. The drains has been all checked out to ensure nothing is blocking them with the rainfall that is coming plus the winter months are ahead.

REGULAR MEETING

MOTION: Murphy/ Pike

23-316 Open for councillors to discuss. All in favour, Motion Carried.

Letter to the town

Letter from The town of St. Lawrence asking for the Town of Lawn's support on them securing funding to create an indoor soccer turf field. After some discussion the town of Lawn will give a letter of support as this is a great idea to keep people active in the winter and also because many of the youth in Lawn plays summer soccer in St. Lawrence. This would give our youth a good opportunity as well as the youth in St. Lawrence.
