| Effective Date: | September 25 th , 2024 |
| Latest Revision Date: | |

David Pretty

Deputy Mayor

Residential and Commercial Invoices are projected to be mailed to customers before the end of January. Once the invoices are received, we encourage residents who would prefer to pay fees by making bi-weekly or monthly installments to contact the Town Office no later than January 31st to discuss payment plans. Payment plans can be arranged to coincide with the needs of payroll; residents should again contact the Town Office with what date works best.

Paul Slaney

Councillor

When your payment plan is initiated, the total balance on your account will be divided by the number of months remaining for the year. Accounts are to be paid for in full by the end of December of the current tax year.

Eileen Thorne

Councillor

It is important to initiate payment plan schedules prior to June 30th of the current tax year deadline date. After this date all accounts with owing balances will be charged interest. Payment plans can be arranged after this date; however applied interest will be included in your account total.

Mark Pike

Councillor

The current monthly interest rate for the Town of Lawn is 2%, as per the 2025 Municipal Tax Structure.

Jackie Strang

Councillor

It is the responsibility of the account owner to ensure payments are made on time and on schedule. If changes are required, this must be communicated with and approved by the Town Manager. Should a payment be missed, the payment arrangement will be considered *void* and interest charges will be applied. **Only** those in good standing with payment arrangements will be permitted to establish a future payment arrangement.

John Strang

Councillor

Payments can be made by visiting the office (Cash, cheque, debit, or credit card) online as a bill payment or email money transfer (LTC@TOWNOFLAWN.COM).

Shelby Cox

Clerk/Manager

The Town of Lawn is happy to offer this arrangement to ensure residents can pay account balances without additional interest charges.
